Filed: August 12, 1998

Examiner: Kaushal, Sumesh

For: HUMAN MESENCEPHALON CELL LINES
AND METHODS OF USE THEREFOR

Attorney Docket No.: 10624-009-999

COMMUNICATION REGARDING THE ISSUE FEE TRANSMITTAL

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submit herewith a Part B - Fees Transmittal, which was attached to the Corrected Notice of Allowance and Fee(s) Due mailed October 28, 2004. Applicants wish to point out that the Part B - Fees Transmittal incorrectly indicates that an Issue Fee of \$685.00 is due for a small entity. However, Applicants established large entity status, and paid the then-due large entity Issue Fee of \$1,330.00, by submission, respectively, of a Notice of Loss of Entitlement to Small Entity Status and Issue Fee Transmittal, both dated May 12, 2004. Accordingly, it is Applicants' understanding that large entity status applies, and that no Issue Fee is due.

Please note that the Attorney Docket Number for the above-referenced application has changed from 860098.425 to 10624-009-999. Applicants also submit herewith a Change of Address form. Please make the new address part of the record of this application.

It is estimated that no fee is required for filing this communication. In the event that a fee is required, please charge the required fee to Jones Day Deposit Account No. 503013.

Date December 27, 2004

Respectfully submitted, *Reg. No. 49,020*
